## TERMS AND CONDITIONS

The Town is offering a rebate valued at \$100.00 for the replacement of a high-flow toilet (13-20L flush volume) with a WaterSense® Certified toilet to residents and business owners that are eligible under the Toilet Replacement Program criterion and submit a complete application. Single-family dwellings are limited to two (2) replacement rebates per household.

Rebate applications are considered on a first received, first reviewed basis. If and when the annual budget for the Toilet Replacement Program for the current year is depleted, all further applications received during that calendar year will be assessed, and provided they meet all program requirements, will be placed on a priority listing for the issuance of a rebate, when and if further funding for the program is approved by Council through the annual budget process.
