Resolution # 25-33

InnServices Utilities Inc. is committed to providing our customers with clean, safe drinking water through the operation and maintenance of our drinking water systems in a manner that adheres to all applicable legislation and regulations.

The Owner and Top Management are committed to the adoption of the Drinking Water Quality Management Standard (DWQMS) and as such, make a commitment to the maintenance and continual improvement of the Quality Management System (QMS).

Furthermore, we have reviewed the Operational Plan, endorse its application, and are committed to ensuring the QMS is regularly assessed to confirm its ongoing applicability and relevance through the actions detailed in the Commitment and Endorsement Procedure.
